

FROM HIGH-RISE TO HIGH ART

NEW SOUTH WALES METAL AND BUILDING SPECIALISTS WITH UNBEATABLE RECORD AND CLIENT BASE

During 25 years of operation, this western Sydney based business has accumulated a large and loyal client base and a long list of projects showcasing its quality workmanship and broad operational capacity.

From commercial construction to international art installations, this investment opportunity is renowned as one of the go-to businesses specialising in stainless steel, structural steel, cladding, metalwork, cracked and toughened glass, car park bollards and more.

The business has a project history that highlights its trusted reputation within the industry and capacity to deliver on any clients' requirements, no matter the undertaking - commercial fit outs, shopping centres, hospitals, museums, car parks, Sydney airport, even art sculptures and Parliament House.

From its workshop and office in western Sydney the business services the metropolitan and surrounding regional area. Having been at the forefront of the industry for over two and a half decades, its expertise is in constant demand from the state's leading builders, developers and architectural companies.

The asking price includes all plant and equipment plus the freehold title to the workshop and office, ideally located close to main arterials. As a package, the business, freehold title, plant and equipment present the new owner with the chance to hit the ground running from day one, building on its already significant reputation and client base.

There's a reason why Sydney is frequently regarded as one of the most liveable cities in the world. It combines natural beauty with an urban sophistication that would make any world-class destination proud. Beautiful beaches, the picture perfect Harbour, fabulous sport, shopping, restaurants, galleries and museums; Sydney is Australia's jewel in the crown.
